Final Curtain Is Lowered

LAST REMNANT of the old Daly City Theater, the wall behind the stage, offers a nostalgic reminder of progress. Groundbreaking for the new half-million dollar Pacific supermarket will begin immediately. Wreckers found the old landmark a pretty tough cookie to crumble—a tribute to its builder in the early 20's. DC SALES TAX STARTS TUESDAY

Council Asks 'Fairer Deal' On Gas Tax

City councilmen in unanimous action Monday night asked the county to adopt a "fair and equitable" formula for distribution of gas tax monies, and also requested supervisors to discontinue taxing Daly City for structural fire protection.

The council, pushing the drive of the North County Council of Cities, demands the county correct its "unjust" gas tax outlays by allowing each city a minimum of $5000 a year, with the rest of the total county gas tax returns for its cities, some $350,000, distributed to the 15 cities, 50 percent on basis of road mileage and 50 percent on basis of population.

The council has long fought the county's "unequal" distribution, citing that too much money goes for the county's 492 miles of roads and not enough for the 925 miles of roads in the cities. The county gets one and three-eighths cents per gallon and the cities only five-eighths of a cent.

In the request to be eliminated from paying the county for structural fire service, the council held that no benefits were being realized here and that municipal service was adequate.

In other major business Monday night, the council:

1. Accepted low bid of $3515 for two new police cars, submitted by Neville Motors.
2. Urged further study on protest of Garibaldi street residents against DC Motor Sales

'Hot Potato' Penny Levy To Begin

Sales tax, much opposed and a political hot potato, becomes effective in Daly City next Tuesday, April 1.

Merchants with state sales tax licenses have been mailed city sales tax applications, which must be returned for city records before midnight next Monday.

Collections on the penny levy will be on a quarterly basis, with first payments from merchants due June 30.

City Manager Howard Stites said no extra personnel need be hired by the city for the collections.

Under the 3-2 council authorization on February 10, sales tax revenues will be split evenly, 50 percent going to capital outlay for improvements, the remainder assertedly to help reduce property taxes here.

In study session last week, 1772 citizen and merchant petitioners, who asked the council to either repeal or submit the sales tax decision to referendum vote, were turned down.

City Attorney Paul Hupf advised that "sales tax, being a tax matter, is not subject to a referendum." He cited as authority a decision rendered 10 years ago by the State Supreme Court in a case pertaining to the city of Riverside.

There has been no change in this decision, since then, Hupf reminded. He further held that the local petition "is inadequate as it was not timely filed."

Garbage Rate Is Hiked

Unanimous city council vote Monday night gave near-bankrupt DC Scavenger Company a 20-cent hike in monthly garbage rates here.

The increase, to be effective sometime in April after final agreements, means that instead of 90 cents, the pickup service for residents will be $1.10 per month.

City share of the collections will continue to be 10 cents, as per motion of Councilman Sanford Vickers. Councilman Micheal DeBernardi suggested a 15-cent raise for the tottering firm, making the total amount $1.05, and reducing the city share for collections from 10 cents to about 8.5 cents. But DeBernardi could not muster a majority for his recommendations.

Mayor Joseph Verducci, backed by legal opinion of City Attorney Paul Hupf, voiced the council's conviction that the company would go broke if the rate hike were denied and that all requested and expense cost projections for the Mussel Rock operation "are substantial and fully verified."

The council agreed with Al Sereni, Scavenger president, and his representatives that even with the new rates, covering the contract until September next year, the garbage firm would have to trim its salary and maintenance outlays in order to stay in business. Sereni confirmed that he would have to ask for a loan from an outside agency to meet immediate expenses and "even break even by this time next year."

Moving into the new fill-and-cover Coastside site last fall, the scavengers figure to be in arrears about $41,000 by this November, due to the heavy costs of maintaining an adequate operation there. Payment on lease of the land and needed equipment are the main financial headaches.

Sereni said his firm also must raise residential pickup rates in Broadmoor-Colma and DC-Colma commercial rates. The former might amount to 20 cents more, the latter up to 20 percent over the current fee.

Sereni's firm serves 9000 DC homes, 1400 in Broadmoor-Colma, and merchants in both areas.

ORLOFF MAKES BID IN RACE FOR TRUSTEE

Filing Monday, life insurance agent Martin Orloff of Broadmoor became the fifth candidate for Jefferson Elementary school board. Election is May 20.

Orloff, 43, who lives at 741 Stewart avenue, is chairman of citizen petitioners who are asking for reinstatement of Supt. Henry Weibel.

Said Orloff on his candidacy, "I have decided to run after receiving numerous phone calls from parents and taxpayers, and after giving the matter very serious consideration.

"As a parent and taxpayer, I feel that affairs of the school board should be conducted in such a manner that the public is kept informed at all times. I firmly believe trustees are responsible to the parents and taxpayers who elect them."

Board chairman Hartley Appleton and trustee Mrs. Doris Wimberly seek re-election to the board. Other candidates are Owen English, a welder of 711 87th street, and Arthur J. Huelse, an estimator of 151 Abbot avenue.

Donald Lesher, plumber of 317 Castle street, also may file, it is rumored.

Westlake Sets Door-To-Door Freeway Fight

A goal of 18,000 signatures has been set by Westlake Improvement Association for its door-to-door anti-freeway petition drive this Friday, Saturday and Sunday.

Acting board chairman Charles Santuccio said William Silver's freeway committee will mail the petitions to high state officials and political leaders, as well as the city council, demanding the proposed route down Alemany through Westlake be abandoned.

Santuccio said the association had declined to send a representative to the city freeway committee meeting, but had authorized an "observer" to attend such sessions. The WIA committee are not in accord with the city committee on the latter's freeway policy, Santuccio said.

"We are only concerned with keeping this Westlake freeway from becoming a reality," he concluded.

Reinstated Cop Says City Owes Him About $473

Reinstated Daly City police officer David Johnstone, 41, of 184 San Diego avenue, should be back on the job—after a 34-months absence—early next month.

Cleared of all charges that led to his dismissal in May of 1955, the veteran officer will return to duty with full privileges.

Only delay in his reporting for work is a claim for pay he says the city owes him. He figures this amounts to about $473, the difference between what his truck driving job during his "lost time" earned him

City 'Hesitates' On Basin Pact

City councilmen Monday delayed final adoption of an agreement with Jefferson Elementary School district for the joint use of Westlake park because they oppose hinted district plans to remove two or three homes on Cliffside drive for access to the basin school and park site.

Although City Manager Howard Stites advised that the council had no jurisdiction on the access problem, Councilman Sanford Vickers was backed when he vociferously refused to accept the pact "if the Cliffside homes are in jeopardy."

Councilman Micheal DeBernardi's motion to officially inform the district of council opposition to the Cliffside move was carried unanimously.

Vickers, who challenged Mayor Joseph Verducci's statement that "this is a minor matter," said the district could use other access routes (El Portal, Lake Merced, Alemany) "without disturbing these people on Cliffside."

The joint-use agreement, termed a "precedent in the state of California" by Verducci, will cover a 25-year period, with option to renew for an ad-

SAMPLE BALLOT FAILS TO LIST ST. CLAIR JOB

Sample ballots for the April 8 city council election were mailed to 14,510 eligible voters last week by City Clerk Evelyn Mosman.

The ballots list the 11 candidates alphabetically and their occupations.

Occupation of Robert St. Clair, 27, 76 Ocean Grove, was not listed, because he claims he did not receive official notification that he had to "correct" an inconsistency on his nomination and affidavit papers in filing earlier.

By state law, Mrs. Mosman, city clerk, mailed to St. Clair on February 17 an official form requesting him within three days (state requirement), to list his occupation. Mrs. Mosman was obligated to do so since St. Clair signed his occupation on his nomination paper as a "professional football player," while his affidavit of candidacy had "sales representative" as his profession. The city clerk, by law is required to have but one occupation listed on the ballot.

St. Clair, captain of the San Francisco 49ers and a sales representative for Burgermeister, claims he did not receive notification to correct the inconsistency.

High School Board Study New Budget

First draft of the proposed Jefferson High School District budget for 1958-59 was presented to trustees Monday night for study.

Review on district business manager Fred Goodell's budget projections will be published next week.

'ACCIDENTAL' SHOOTING

Girl, 9, Wounded By 'Playful' Kin, Dies

Private funeral services were conducted this Wednesday for Verna Wilson, 9-year-old Daly City girl who died Saturday afternoon from a bullet wound inflicted the day before by her 11-year-old brother.

The victim, accidentally shot between the eyes by a bullet from her father's .22 caliber pistol, was partially paralyzed when Junipero Serra Hospital doctors transferred her to Kaiser Hospital late Friday afternoon. She succumbed after exploratory surgery.

Daly City police and the district attorney said no charges would be made against the boy, a student at Colma school, who caused the fatal accident after playfully waving the pistol at Verna and an older sister while the girls were watching television. Both parents were at work when the youth pried open a locked box which contained the pistol.

Capt. Roy Beecher and Juvenile Officer Charles Terry, Daly City police, were first on the scene of the tragedy, 49 Rice street, near the San Francisco line.

Fontana Seeks Re-election To JUHS Board

Chairman Elio A. Fontana, Colma monument maker, this week filed for re-election to Jefferson High School District board of trustees.

His bid for a third three-year term made him the second candidate for the May 20 balloting. James M. Cooper, Sharp Park, president of Pacific Manor PTA, was first to file.

Terms of Fontana and Mrs. Anna Eason expire this June. Elio was first elected to the board in May of 1952. Mrs. Eason has served on the board since 1947.

Fontana, a Jeff High graduate and student body president, class of 1938, attended College of San Mateo and served with Army Intelligence during World War II in Europe.

Past president of the Lions Club and the California Monument Association, he is active in the Chamber of Commerce, Garden Village Property Owners Association, and a member of the San Mateo County and California Trustees associations.

League Of Women Ask Candidates To Special 'Night'

As a service to local citizens, members of the League of Women Voters of San Francisco who live in Daly City have invited candidates for Daly City council to a candidates meeting, scheduled for Wednesday evening, April 2, 8 p.m., in the Little Theater of Jefferson High school, 6996 Mission street.

Dr. Lloyd Luckmann, coordinator in the Division of Instruction at City College of San Francisco, will be the moderator.

The public is invited to hear the candidates voice their platforms. If time permits, writ-

ATTACK WARNING FIZZLES HERE: 'FALSE ALARM'

Blaring of the city's air attack warning horn—just before noon Wednesday—was prompted by a short-circuit in the Bay Area-wide civil defense system—making the brief excitement a "false alarm."

Officer Jim Welch automatically notified all units to proceed with defensive measures after he spotted the "attack imminent" yellow signal flashing on the civil defense control board at police headquarters.

Eight minutes later he was informed that a short-circuit was responsible. Alameda county likewise received and reacted to the false signal.

TAXPAYERS' GROUP STEER FOR 'REPEAL'

After obtaining more than 1000 signatures on petitions against the new one per cent Daly City sales tax, the Taxpayers' Protective Association has decided that the best way to repeal the levy is to throw their efforts behind council candidates who can rescind the sales tax ordinance at the council table. The new sales tax goes into effect next Tuesday.

Accordingly, after a meeting Monday night, the Association polled its membership and endorsed four of the 11 candidates for council.

"Our group has contacted and talked to, and secured the signatures of, more than 1000 taxpayers in Daly City and has found the over-whelming sentiment to be against the new sales tax," said Paul Green, former mayor and moderator for the Association.

An independent poll, taken from among the taxpayers who signed the anti-sales tax petitions indicated that the four candidates endorsed appeared to be favored among the voters, although there are only three positions on the council at stake.

It has been estimated that the additional one per cent sales tax will cost the average Daly City householder about $35 per year.

SCHOOLS' HOLIDAY

Public school and parochial students in Daly City, Colma and Pacifica next week take the traditional Easter season holiday. Classes resume Monday, April 7.

DOELGER DENIES TALK HE WANTS FREEWAY HERE

Westlake builder Henry Doelger today issued a press release in which he said he wants to "publicly deny rumors and reports" that he and his corporation are in favor of inter-connecting freeways in Daly City.

Doelger, in correcting statements assertedly circulating around town, said he and his organization are firmly against any proposed freeways within the limits of Daly City, and namely the Alemany boulevard route, east-west through Westlake, suggested by the state.

"I will do all in my power to keep these types of freeways out of Daly City," the builder declared.

A Doelger spokesman said the "erroneous rumors and reports" have been made by a "few persons running for office and have no foundation."

"It is ridiculous," continued the Doelger spokesman, "for these people to charge that Doelger and his organization favor freeways—when Doelger and his firm realize these freeways would ruin their Westlake development and the shopping center."

It Looks Nice, But No Students

TEMPERS of parents with children on double sessions are at the breaking point because Vista Mar elementary school, located off Southgate near Bradley drive in Westlake, is way behind schedule. The contractor, Hart & Hynding, was to deliver the completed plant in mid-February. It looks now like students won't be moving in until next September, since the tardy builders may not be finished until late this May. Trustees are expected to enforce penalty action for the delay. THE RECORD photo.

VISTA GRANDE OPENS

233 Kids Quit Double Sessions

Some 233 youngsters were taken off double sessions Monday when seven classes of students moved into the new Vista Grande school, off Thiers and Wyandotte streets.

Supt. Henry Weibel authorized the move, transferring seven Vista Grande classes from overcrowded Thornton and Colma primary.

Occupation of the new plant—almost two months late because of the contractor, left the district with 20 classes (606 students) on double sessions.

Double sessions now involve 436 students at Olympia school, 107 at Garden Village and 63 at Westlake school.

Completion of Vista Mar elementary on Southgate in Westlake, would have sliced the double session figure considerably. But the contractors, Hart and Hynding, are under heavy fire since they may not be able to deliver the circular plant until late this May.

Triple session kindergarten schedules are still in effect at Colma primary, Ben Franklin, Garden Village, General Pershing and Westlake.

Weibel said the matter of district driveway access to Vista Grande via Gambetta street is being worked out with city officials. This could have been a delaying factor, but the administration and city appear on the verge of agreement for closing the street for exclusive school district use.

DC RESERVOIR REPAIR PROJECT COSTS $10,017

Contract for repairing the quake-battered Palisades reservoir was awarded by the council last week to Fraser-Edwards company at a price of $10,017.

The accepted bid was the lowest of three submitted. The project will take about 30 days to complete. Additional paving around the reservoir walls will run the total repair job to about $12,220.

The big tank was completely out of commission for 90 days as it had to be drained to allow inspection of wall and below-surface damage.

'SPEED CONTEST' TEENAGER GETS FINE, JAIL TERM

A San Francisco teenager Monday was fined $50 and sentenced to four days in county jail for participating in a "speed contest" through Daly City streets on March 23.

Muni Judge Thomas Bocci suspended 16 additional days in jail for Bobby Lee Jordan, 97 North Ridge road, and warned that he would enforce stricter punishment on "drag-race" violators.

Bocci bemoaned the mounting incidence of "speed contests," and added he would "assess mandatory jail sentences" in this category.

"To tolerate violations of this nature with light sentences and fines is to encourage the ever-increasing rate of traffic fatalities on our highways," he concluded.

STATE AID PLANS

Trustees Eye Verdict On Jeff Modernization

High school trustees Monday moved towards decisions on modernization of Jefferson High and final school pupil assignment figures for state aid to speed two proposed Coastside high schools.

Supt. Ed Morgan set a tentative deadline date of late April for board action on fixing student enrollment at Jefferson and Westmoor, which will determine how much fund eligibility the district will be allowed by the state for the Sharp Park plant.

Morgan said he hopes to be present to the State Allocations Board in May the district's justification documents to enter the state program.

Architect Mario Ciampi is discussing Jeff modernization with Principal John Mongan and his staff. Areas to be renovated are the main building, auditorium and the upper part of the shop building. If trustees deem modernization instead of demolition of defective areas more feasible, maximum Jeff enrollment may be set at 1348 students, instead of the 1240 figure now assigned by state formula.

Morgan said increasing Jeff's student capacity via modernization would allow the district maximum state funds for the Sharp Park school.

Westmoor's student population, for going on state aid, will be projected to about 1600, the superintendent added.

Next Monday, Morgan and staff in special meeting here will present to the state decision of finance district cost estimates for on-and-off-site work at Westmoor High. This project includes perimeter streets, grading and soil stabilization. Only district funds can be used for this work.

Morgan also said he should have appraisals on property along San Mateo avenue in Sharp Park by next Monday's special meeting. State Division of Highways, which will turn over the strip of land to the district south of the school to replace four district acres lost to the freeway, are appraising the land.

The district also has an appraiser on the job, Ralph Clark, a move advised by the district attorney. Morgan said he should be able to inform the property owners involved by April 15 what the district will pay for the land.

Next month's regular board meetings will be April 14 and 28.

'Defensive' Driving Promoted By State Highway Patrol Chief

Defensive driving is necessary to avoid traffic accident trouble in today's traffic, says the California Highway Patrol.

"The term 'defensive driving' is applied to a recognized method of avoiding traffic accidents through certain developed abilities," stated Patrol Commissioner B. R. Caldwell. "These abilities include habitual recognition of potential accident situations and the know-how to avoid becoming involved in an accident in such situations.

"An example of defensive driving can be drawn from an actual situation happening frequently on our rural highways," Caldwell said. "A driver traveling at a normal speed on a through highway is approaching an intersecting side road and notices another vehicle approaching on the side road.

"Although the intersection is protected by a stop sign requiring the driver on the side road to stop before entering the through highway, the defensive driving maneuver by the driver on the through highway is to slow down and be prepared to take appropriate action if the other driver does not stop," he explained. "There are many other situations calling for preparedness and ability to avoid trouble.

"Defensive driving prevents accidents and is a quality every driver should develop," he concluded. "Remember too, a defensive driver naturally obeys traffic regulations as a primary element in his defense against accidents."

MORE THAN 200 youngsters Monday moved off double sessions and into Vista Grande primary school, tightly situated on the high ground near Thiers and Wyandotte streets. The plant, erected by Hub-Pacific company and designed by Architect Mario Ciampi, contains six classrooms, kindergarten, a multi-use room and administrative quarters. The elementary district still has 20 classes —606 children—on double sessions, plus triple kindergarten operations at five schools.

Curriculum Committee Cites Program, Needs

Summarizing present Jefferson Elementary School District practices and pointing up some recommendations for further study, Mrs. Doris Wimberly, chairman of the school board's Curriculum Committee, presented the results of four months study at a special meeting of the board last week.

One of the main concerns of the committee was the problem of informing parents and the public of what is being done in the schools. It was recommended that the report be circulated throughout the district and that members of the committee make themselves available as speakers before such groups as might be interested. A second concern was for children of above average ability. It was felt that this group should be presented with a challenging program.

The report cited three reasons for the great change in the type of fare offered the children of today as opposed to their grandfathers and fathers time. These were: (1) the tremendous growth of the educational system as shown by the fact that where the national population increased only three times in a period of 70 years, the population of the nation's high schools increased 90 times; (2) the staggering expanse of knowledge especially in science, history, and civics and, (3) the reorganization of society as evidenced by the growing demand upon schools to take over functions previously considered only within the province of the home.

Science Required

It was pointed out that in addition to the subjects required by the state of California, the county of San Mateo requires science to be taught in all the grades. Also, that the district is allowed by law to add one other subject such as foreign language to its curriculum. The pros and cons of such an addition were discussed.

The report briefly described how children are taught in Jefferson Elementary District. The skills of arithmetic, reading and writing are presented formally. A subject such as mathematics is introduced as early as the kindergarten and with each succeeding year more factual material is added. However, the district believes that a child learns more and remembers it longer if he can actually use his knowledge in a real situation. An example of a lesson on the Hopi Indian was cited to show how all subjects taught are used in learning about a primitive culture.

The mandatory use of textbooks was discussed, and also the permissive use of supplemental texts where they more exactly fit a particular teaching need.

Exhibit

Miss Marjorie Tobias, principal of Olympia School, and two of her teachers, Mrs. Ione Farmer and Mrs. Jean Oberlander, prepared an interesting exhibit of books and teaching aids used in their school, including some of the work the children are doing.

Dr. John Eiler and Dr. Vinton S. Stratton are the other members on Mrs. Wimberly's committee, with Supt. H. Z. Weibel and Hartley Appleton the ex-officio members.

OUTSTANDING RECORD

Assemblyman Louis Francis Files For Re-election On Both Tickets

State Assemblyman Louis Francis today filed his Republican and Democrat nomination papers with 60 local sponsors from cities in his district for his re-election to the State Legislature.

Francis, 34, who represents the 25th State Assembly District in the northern half of San Mateo County is considered one of California's outstanding young legislators. He won national recognition last year as the author of California's new, stringent drunk driving laws, providing for heavy fines for all offenders and mandatory jail sentences for repeated offenders.

LOUIS FRANCIS
...files papers

"He is a top man with a top record and deserves nothing less than the full and bipartisan support of all citizens in his district," said Mrs. A. L. Alexander, his campaign director.

During his "freshman session" of the State Legislature last year, he compiled an outstanding record as the author of major legislation. He successfully sponsored many legislative measures directly benefiting the people of his District and County, and also new laws of statewide interest.

At the adjournment of the 1957 general session, 32 legislative measures of the 46 introduced by Francis, excluding "spot" bills, were passed by the Legislature for a high percentage of 70 per cent. In comparison, his percentage was nearly twice the overall legislative average of all legislators. Of the 16 freshman State legislators, Francis has the largest number of legislative measures signed into law by the governor or passed by the Legislature.

He is an attorney and a senior member in the law firm of Miller, Francis, Miller and Osborne with offices at 201 West 20th avenue, San Mateo. He and his wife, Alice, have three children, Patrick 8, Michele 4, and Janice 2, and are expecting their fourth child. They reside at 129 Castilian way, San Mateo.

ADULT SCHOOL STUDENTS GET EASTER LAYOFF

Jefferson Adult School classes will close their doors on all six campuses next week for Easter vacation beginning on Monday. Classes will resume their final quarter of work April 7. Because of the holiday, registrations for driver education and learn-to-swim have been postponed until after vacation. Anyone interested in either or both classes may register on opening night in class. No advance registration is necessary.

According to John Ivan, Adult School director, the school calendar permits the organization of only one more course after the completion of session starting in April. After May 12 no further instruction will be offered in driver education until October.

April 7 will see not only the opening of school but also the start of a new class in business machines. This class is limited and registration should be made in advance.

There is still room and time to enroll in many of the other classes being offered by the adult school.

KIP Youngsters Lose A Pal, Verna Wilson

KIP workshop leaders today expressed sympathy to Mr. and Mrs. John Wilson, 49 Rice street, parents of KIP member Verna Wilson, who died Saturday after an accidental shooting.

Mrs. Audrey Sallade is acting KIP director, taking the post of Mrs. Kay Irvine, who is ill. KIP kids will perform for Letterman hospital patients this Sunday. Next shows for the youngsters will be on April 18 and 25, for Army guided missile personnel.

Auditions will be resumed on April 15 at Community Center. Trained or untrained, all youngsters are invited.

Mrs. Sallade asks all civic and fraternal organizations who wish to employ the talent of Kipstars to call her, JU 5-4301, or Mrs. Leota Swager, JU 8-8183.

Miss Donna Tillson, former student at SF State College, has joined the KIP faculty. A guitar and camera, both donated, also are being used by the instructors.

New volunteers include Mrs. Raynelle Bierbrauer, Sharp Park, and Theodore Braan, San Francisco, the latter as adult advisor in photography.

KIP's Kathleen Porter has been awarded the Eagles' scholarship for drama and all-around skills. Anthony Miley took a recent third in Moose Lodge "Search for Stars" competition.

Workshop meetings are held the second, third and fourth Tuesdays of each month at DC community center from 7 to 9 p.m.

APRIL 10 LAST DAY TO REGISTER FOR JUNE PRIMARY: COUNTY CLERK

"Apparently hundreds of residents of the county eligible to register and vote at the June 3rd Primary Election will be unable to do so unless steps are taken to become registered in the near future," County Clerk John A. Bruning declared today.

The last day to register, or correct your registration if you have moved, for the June Primary Election. is Thursday, April 10. Registration qualifications are: Citizenship, age 21 or over, residence one year in California and 90 days in San Mateo county prior to June 3, 1958.

In addition to the Election-Registration Department in the Hall of Justice and Records, Redwood City, over 200 registration deputies are conveniently located in all areas of the county to take voters' registrations. Those situated in this area are as follows:

City Clerk's Office, Mrs. Evelyn Mosman, City Hall; Fahey Realty Company, Ernest E. DaRoza, 6566 Mission street; Peter J. Markovich, 6454 Mission street; Westlake Improvement Association, Mrs. Alyce M. Shea, 95 S. Mayfair; Mrs. Elizabeth M. Brawley, 217 Bellevue avenue; Mrs. Veronica J. Galvin, 84 Westfield avenue; Mrs. Doris V. Martini, 172 Westbrook avenue; Alfred A. Figone, 44 Werner avenue; Julius F. Castelan, 862 Bellevue avenue; Mrs. Joan E. Gilmore, 419 Southgate avenue; Mrs. Helen Villalba, 115 Crocker avenue; Mrs. Sarah C. Lewkowitz, 501 Vista Grande avenue; Mrs. Dorothy Utterback, 493 Vendome street.

Colma: City Clerk's Office, Mrs. Blanche B. Lagomarsino, Town Hall; Mrs. Gertrude E. Green, 631 Manila way; Callan Realty, Michael C. Callan, Thomas J. Callan Jr., 2790 Junipero Serra; Mrs. Meredith Orloff, 741 Stewart avenue; Ellison J. Fallen, 484 A street; Mrs. Margaret H. Noonan, 471 C street.

'START OVER' COUNCIL TELLS CALLAN FIRM

City Council in study session last week ordered Callan Construction company to "start all over" in its long-snarled bid for commercial zoning on its 21-acre tract adjacent to St. Francis Heights subdivision.

City Attorney Paul Hupf interpreted a protest by Doelger Corporation representatives that the Planning Commission had committed "irregular procedure" when it took no formal action to continue public hearing on the Callan zoning request.

Hupf held that by law the matter had "lost jurisdiction" and "must start originally again."

Thomas Callan complained that the Planning Commission had adjourned its meeting to last week's special session with the council, and asked why action on his request could not be taken at that time.

Callan, long urged by the council to make "written commitments," said he would "resolve the matters in the subdivision agreement" with Zita Corporation. The council feels Zita officials (St. Francis developers) have met with requirements. But not the Callans, they believe.

New city personnel rules and regulations, featuring corrections and changes, were adopted the same evening by the council.

UNIQUE circular construction and empty classrooms make Vista Mar elementary school in Westlake a sorry paradox for parents and double-sessioned Daly City youngsters. The contractor couldn't deliver the ultra-fancy plant by deadline time, February 15, and might not be finished until late this May. Trustees are on the verge of lowering the financial boom via penalty clause enforcement.

Judge Tom Bocci Finds 'Business' Out-Of-Court

Judge Thomas Bocci brought a violator to justice Saturday night—though the 35-year-old judge was out of court at the time.

Driving through Millbrae, the judge's car was nearly sideswiped by one driven by a 19-year-old San Bruno scavenger, arrested moments later by the judge and a South San Francisco cop for drunk driving and auto theft.

Bocci said the weaving vehicle driven by the youth, Patrick Manuel, slammed into another car, sped through a red light, then hit a second auto.

After the "citizens' arrest" by Bocci and the SSF officer, Manuel was turned over to Millbrae police, who moved him to county jail on the drunk driving count. Later Manuel will be returned to San Bruno police and thence to Bocci's court for auto theft hearing.

Manuel, employed by El Camino Scavengers, lives at 500 El Camino, San Bruno.

SPEAKER BLUM IS 'STUNNED' AT AWARD FETE

A superior court judge, mother of the nation's leading pro golfer, a fire battalion chief, and a police officer received heavy applause and plaques Thursday night in the annual Chamber of Commerce "Awards Dinner" at Westlake Joe's.

Judge Frank Blum, scheduled as main speaker, expressed "grateful surprise" when he, too, was cited for accomplishments and service to Daly City.

Before Blum was rendered "almost speechless," Chamber men Pete Markovich and Vince Murphy delivered praise and plaques to Mrs. Ethel Venturi, whose son, Ken, is ripping up records right and left; Fire Chief Wayne Alexander, cited for organizing the fire department-sponsored Scout Troop 65, and Policeman John Coleman, organizer of the Police Athletic League for boys.

4 JUHS Trustees Eye Miami Meet

Four Jefferson High School District trustees will attend the annual National School Board's Association convention, April 17-20, in Miami, Florida.

Making the trip will be chairman Elio Fontana, Lyal Ingersoll, Donald Miller and Raymond Whitney.

Letters To The Editor

Reader Asks Brisbane To 'Get Together'

Dear Editor:

Find your article of March 20 issue, "Brisbane Calls Unincorporated Alliance Meet," quite interesting. However, when I organized the Brisbane Homeowners Association a few years ago, it was not meant to be an "international project," or as stated, to "usurp the responsibilites or authority of any governmental agency, but to get government back to grass-roots."

I was always under the impression that our government would survive, even without the help of the Brisbane group. Therefore, I think the main purpose of the Brisbane Homeowners Association should be to try to get our own community back together, and not refuse membership in the organization to those that refuse to vote "Yes," as one person remarked.

The first year the organization was formed, it looked as though we really did some good for the town, but the last meeting that we attended, it seemed that the "top four" were the only people allowed to speak.

I am not blaming present members of the organization, but if they ALL would have been members from the start, I think they would have realized the real purpose of forming such an organization. It was formed for the betterment of Brisbane, and to keep our taxes as low as possible by cutting down on all the frills, by bringing the people's attention to any unnecessary waste or mis-management of our local districts.

Some people have the initiative to go ahead and try to do something about these things just mentioned; others prefer to ride on someone else's coat tails once something is started, or join for the purpose of "breaking things up."

Yes, before we start telling other people HOW, I think we should try to get a quorum at our own meetings here in Brisbane.

Respectfully,
Laura Johnson

RE-INSTATED DC COP SAYS HIS 'THANKS'

Dear Editor:

My family and I are taking this opportunity to thank my attorney, John J. Fahey, for his successful court fight which resulted in my re-instatement to my former position as a member of the Daly City Police Department.

Many thanks, also, to the Daly City Record and to my many, many friends and neighbors who showed me such wonderful moral support over the past 34 months.

I will do my very utmost, in the near future, to justify that support.

Sincerely,

YOUNGER FILES (FOURTH TIME) FOR CONGRESS

Congressman J. Arthur Younger has filed his papers for re-election on both Republican and Democratic ballots, submitting the signatures of 60 citizens from all parts of San Mateo county on each set of nomination papers.

Filing was handled by Frank B. Ingersoll Jr., Burlingame attorney, chairman of Younger's county-wide committee; Harry J. Boyle, Hillsborough, chairman of Younger's Democratic committee, and George A. McQueen, the congressman's field secretary.

Younger, on duty in Washington, D. C., is seeking his fourth term in Congress. In his declaration of candidacy Younger said that his experience and seniority established as a member of Congress and on the Interstate and Foreign Commerce Committee "will enable me to give continued effective services as the representative of the county in Washington."

Something For Everyone

By The Staff Of The Daly City Public Library

In this day and age we accept matter-of-factly that books in libraries (and the bookstores, too) are divided into subject areas. Even when we don't understand all the complexities of the system, we have faith that there is a considered plan which is more or less adhered to. We also accept the fact that books are divided somewhat by interest or reading levels into children's and adult books. After all, we can't mix the scholars and the squallers, can we?

All this acceptance is fine up to a point. It is convenient to have this sort of silent "reader's guidance." However, if these separations for convenience are interpreted as "Keep out" signs, many interesting and informative books will be missed. This applies particularly when adults eschew the Teen-Age Section. It is true that much, but not all, of the fiction would be acceptable when not downright revolting to the average adult. Who want to go back to his own harried adolescence?

But when all that is required is enough information to be conversant with a subject, the headline developments in science, for instance —the most illuminating books are often those written for the teen.

Science Reading

One of the most exciting recent books in a basic science is NEELY'S — **The Stars by Clock and Fist.** This book has the clearest imaginable illustrations for locating the stars. R. D. POTTER'S **Young People's Book of Atomic Energy,** long a standard reference for the layman, includes its discoveries, its problems, and future, not confining itself to the atomic bomb. A much larger and prettier book then preceding, and one somewhat familiar to viewers of Disneyland is HEINZ HABER'S **Our** Friend the Atom. Frankly, the pictures and diagrams are sufficient to ensure a basic understanding of the subject.

Michael Faraday, the notable scientist of the last century, was famous for his illustrated lectures given for children at the Royal Academy. Recently, his lecture **The Chemical History of a Candle** was reprinted. Many scientific principles are explained through the description of the candle and its burning, and all presented in an enviable clear and lucid style.

In the field of applied science, Margaret Hyde has written several notable books which are of interest and use to old teen-agers and young oldsters. Among the more recent is **Medicine in Action, Today and Tomorrow** which in telling about almost 150 careers in medicine also summarizes much we wish to know about the general set-up of the medical services of this country.

Baking Trick

Jeanne Bendick, that perennial writer and illustrator of informative books for the scientifically illiterate, young or old, has revised her **Electronics for Young People.** While you may not understand hi-fi after reading this book, you will understand how to bake a potato in under five minutes on a cool surface. If you've fallen abysmally behind of the air age, read Ahnstron's **Complete Book of Jets and Rockets.** Here in a large nutshell is everything concerning the history of the air age from 120 B.C. to the present. It runs the whole gamit from inventions, principles, and applications to descriptions and illustrations of individual aircraft and information on how to become a pilot of same.

To conclude with a title apropos to the season, but not connected to the preceding ZARCHY'S **Let's Fish; a Guide to Fresh and Salt Water** was written for beginners. Fishing widows might find what the fascination is; in fact, it may even make a few converts.

These or similar books are available in the Daly City Public Library, 6351 Mission street, and in the Westlake-Broadmoor Branch, 34 Park Plaza drive. Come in and browse around.

The Town Record

By Roy Hulbert

Nice to learn Daly City's EDDIE CEREGHINO, the 24-year-old bonus baby signed by the NY Yankees a few years ago, has come out of "retirement."

The flinging whiz, who got $75,000 for inking when he was sweet 17, is making a "comeback" with Denver of the Triple A American Association.

Eddie, remember, quit the Yank chain farm in mid-season last year, claiming he was through with riding the rods. Casey Stengel, gave him many chances, but Lady Luck sort of kept the big blond from the big step—Yankee stadium.

Ed has been in Denver's spring camp for three weeks at Lake Wales, Florida. This could be his year to rise and shine.

The tragedy that befell VERNA WILSON, 9-year-old Daly City girl, who died after being accidentally shot by her brother, offers a vivid lesson. Guns have no place in the home, regardless of where located.

Witnesses after the Rice street mishap, this writer included, marveled at the way two DC police officers, CAPT. ROY BEECHER and CHARLES TERRY, succeeded in comforting the victim's family.

No words can express the understanding and control shown by these men. Next time you see a cop, think more of the man behind the badge.

Wonder what BYRNE RADIO & TV, Mission street shop, will do now that the old DC Theater has crumbled to nothingness.

On all Byrne advertising, their plug tells folks, "We're across from the DC Theater."

Signs, too, must change with the times.

LOREN CHEDA, manager of Spotlite market, saw himself on TV the other evening. New video Channel 2 was relaying "Victory at Sea," weekly episode of our military campaigning in World War II.

There was olive-drab Loren, checking off troops as they boarded a ship. Later the guy saw much front-line duty as a combat photographer.

Politicians will be politicians. We've got to have 'em to keep the democratic process functioning.

Race in Daly City is a puzzler. Eleven candidates—and Westlake strength and response the key to victory.

Two more "funnies' to report this week on the job-seekers. One got the election date wrong on his matchbook handouts. Another has a sign on his biggest billboard, signifying that the sign was donated by himself.

The deluxe new SAI-WU GARDEN restaurant on Southgate is mighty easy on the eyes. Service by the oriental cuties is exceptional. Shades of our Far East capers with the Air Force. And the food here is better.

KOSKINEN IS SERVING ABOARD HEAVY CRUISER

Seaman Donald F. Koskinen, son of Mrs. Mildred M. Koskinen, of 140 Lynnewood drive, recently reported for duty aboard the heavy cruiser U.S.S. Columbus at Long Beach.

Prior to entering the Navy in February last year, Koskinen was graduated from the Jefferson High class of '56.

The Columbus, under the command of Captain Gordon A. Uehling, is the flagship of Rear Admiral Miles H. Hubbard.

'Muffler Man' In Sheriff Race

Gene Lockhart, known as the "Muffler Man," is the lone candidate opposing Sheriff Earl Whitmore of San Mateo county in the June 3 primary.

Lockhart, known in the Bay Area for his car repair service, has had no law enforcement experience.

Red Cross trained first aid expert is always on duty on San Francisco's beautiful Golden Gate bridge.

Accidents can happen to anyone, but do happen less often to the Red Cross trained first-aider.

OLPH CHURCH

Father Bergin Tells 'Holy Week' Schedule

Palm Sunday, March 30, traditionally ushers in the observance of Holy Week throughout the Christian world. On this day is commemorated the triumphal entry of Christ into Jerusalem and throughout the week the Church pictures the scenes of the Saviour's Passion and death, according to Father James Bergin, pastor of Our Lady of Perpetual Help Church.

Father Bergin points out that "the lessons these sorrowful events are intended to teach are vividly impressed upon the minds of the faithful during the week, while the prayers are pleas that all may have a share in the fruits of the Redemption and the joys of the Resurrection."

The Holy Week schedule of Our Lady of Perpetual Help Church as announced by Father Bergin is as follows:

Palm Sunday: Masses 6:30, 8, 9, 10:30 and 12:15 p.m. Palms will be distributed after all of the Masses.

Monday through Wednesday: 6:30 and 7:30 a.m.

Spy Wednesday: Confessiohs 3:30 to 5:30 p.m., 7:30 to 9 p.m.

Holy Thursday: Masses 8 a.m., 5 p.m. High Mass and procession 8 p.m. Adoration of the Blessed Sacrament 9 p.m. to midnight.

Good Friday: Three Hours devotion begins at twelve noon. Holy Communion distributed during the services. Sermon and veneration of the Cross. Stations and veneration of the Cross at 8 p.m.

Holy Saturday: Confessions 3 to 5 p.m., 7:30 to 9:30 p.m. Services will begin at 11 p.m. Mass at midnight.

Easter Sunday: Masses 6:30, 8, 9, 10:30 a.m. and 12:15 p.m.

Magic Party Cup Cakes Made in a Jiffy

A GOOD DESSERT gives a big lift to a meager meal, and with pantry shelf supplies you can usually manage something outstanding. With a package of cake mix and sweetened condensed milk, for instance, you can turn out a batch of luscious chocolate-frosted cup cakes in little time and with little trouble. Decorate them with blanched almonds placed like flower petals.

The chocolate frosting is made in a double boiler, by cooking the sweetened condensed milk and chocolate together until they are rich and creamy. There's no beating and it takes just ten minutes.

MAGIC CHOCOLATE FROSTING

1⅓ cups (15-oz. can) sweetened condensed milk
1 tablespoon water
⅛ teaspoon salt
2 squares (2 oz.) unsweetened chocolate
½ teaspoon vanilla extract

Put sweetened condensed milk, water and salt in top of double boiler. Mix well. Add chocolate. Cook over rapidly boiling water, stirring often, until thick, about ten minutes. Remove from heat. Cool. Stir in vanilla. Spread on cooled cake.

Seacliff Church Youth Select First Officers

Election of officers for the Youth Fellowship at Seacliff Community Church of Daly City this week produced the following results:

President, Nancy Fanthorpe; vice president, Bill Oswood Jr.; secretary, Connie Simcox, and treasurer, Dennis Simcox.

Commission chairmen are James Fifer, Bill Oswood, Dale Kile and Susan Simcox.

Coach for YF is Susan Simcox. Adult advisors are Jack and Joyce Adams, and Clifford and Arline Kile.

The youth organization is planning to expand this year to provide separate divisions for junior high, senior high, and college-age groups, with an integrated program, including summer camps, Sunday School meetings, fellowship hours, rallies, and monthly parties.

All youth, ages 12 to 24, are invited, according to Pastor Fred L. Fanthorpe.

SECOND ANNUAL 'CITY OF HOPE' FAIR TO OPEN

City of Hope Auxiliary 289 of Daly City will present its second annual "Fair" this Friday through Sunday at Hilltop Market.

Featured will be a wide variety of foodstuffs, millinery, household articles, et cetera. Many prizes are due those who attend.

Proceeds go to City of Hope hospital, a free, non-sectarian hospital for cancer, leukemia, heart and tuberculosis patients.

The Fair will be open at 10 o'clock this Friday, Saturday and Sunday mornings, and will stay open as long as there are "customers."

For more information, call Lynne Boskey, PL 5-0902, or PL 6-1856.

'Delinquency Begins At Home,' Panel Says

What guarantee do you have that juvenile delinquency will not become a problem in your home? What can you do to prevent such a problem arising in your family?

These and many other questions were under discussion at the March 18 meeting of Woodrow Wilson PTA. "Action to protect our children" was the theme of the panel discussion on the prevention of juvenile delinquency. Rudy Sanfillipo, county juvenile probation officer; Officer Charles Terry of the Daly City police department, the Rev. Thomas Whelphey of Grace Presbyterian Church, and Charles Vincent of the Daly City recreation department presented different phases of the juvenile problem.

Officer Terry displayed a police department collection of home-made weapons taken from juveniles. Sanfillipo cited a very low incidence of juvenile delinquency in Daly City. He stated that parents should realize his department is anxious to help their children, and parents should not go on the defensive with juvenile officers.

Vincent stressed that the parks and recreation system was designed to keep children off of the streets. Rev. Whelphey saw the problem as "parental delinquency." In most instance of juvenile delinquency the cause can be found somewhere in the home. Parents should strive to set good examples for their children. All agreed the time to help children is before they become delinquents.

Samuel Chandler, city librarian, discussed use of the library.

Election of officers for the new term was the high point of the business meeting. Elected to serve a second year as president was Mrs. W. R. Clark. Other officers are Vice-President, Mrs. Lawrence Meaney; Honorary Vice-President, Mrs. Ethel B. Hahn; Recording and Corresponding Secretary, Mrs. Anthony Giammona; Treasurer, Mrs. Arthur Hermosillo; Historian, Mrs. Robert Van Zandt; Auditor, Mrs. Felix Oliva.

On March 20, Woodrow Wilson PTA was well represented at the 31st annual convention of the Seventeenth District CCPT. Attending the meeting in San Mateo were Mrs. Ethel Hahn, principal of Woodrow Wilson school; Mrs. Mendel Plansky, Mrs. Francis Fillbach, Mrs. Lawrence Meaney, Mrs. Anthony Giammona, Mrs. Felix Oliva and Mrs. Clark.

Mrs. Foriest Cunningham, past president of Woodrow Wilson PTA, was elected to the district office of Director of Parent Education and Family Life. William A. Goss, director of research at College of San Mateo, was the feature speaker. His topic was "A Wider Reach For Our Schools."

Following the meeting, Mrs. Clark was hostess at a luncheon in her home for fellow delegates.

Dan Colangelo Still 'The Champ'

Danny Colangelo repeated as Cub Pack 248 "Pinewood Derby" champ last Thursday night when he walked away with first prize in speed and third prize for his racer's beauty and design.

Ross Davis' entry was judged first for beauty. Philip Reade won second prizes in both speed and design. Bobby Green's car was third in speed ratings.

Robert Woods again was a judge, along with Mel Wilner.

AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more . . . does more . . . provides more family fun than any other wagon in the low-price 3 because it's BIGGEST IN THE LOW-PRICE 3. You can't buy bigger at any price!

Maybe you're a *station wagon family* right now. More Americans are each day! But do you know all the really *astonishing* facts about the Plymouth wagon . . . how much *more* it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the *high-price* field that cost $5500 and more . . . but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them . . . learn how little the years-ahead Plymouth wagon costs . . . you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

5 big reasons why your wagon should be a Plymouth:

1. **BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at *any* price! 122" wheelbase.
2. **HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.

Dads-Daughters Dinner 'Success' For Troop 355

Intermediate sixth grade Brownies of Troop 355, under the leadership of Mrs. H. Heneise and Mrs. R. Young, celebrated a successful "Dads and Daughters" dinner on March 15 at the Colma firehouse.

Entertainment was provided in the form of a skit performed by the Brownies.

Dinner was followed by presentation of badges, year pins, and world pins to the various troop members.

A "thank-you" cake was presented to the fathers for their helpfulness throughout the year and a special recognition given to Sam Wishon, special guest.

Many fathers not only assist in their daughters' Girl Scout Troops, but are also active Girl Scout members themselves. Many girls boast, "My father is a Girl Scout."

Girls attending with fathers were: Lynda Brown, Roberta Campos, Nancy Carr, Christine Christiano, Yvonne Done, Nancy Ellis, Dale Heneise, Marie Horne, Joanne Jacobson, Susan Kirschner, Carol Liberato, Yvonne Mathieu, Deanna Richman, Pamela Wingate, Gail Young and Karen Zeller.

'Trip To Moon' Science Topic At Jeff School

"A Trip To The Moon" was the theme of the science program presented at the Jefferson school this week under the direction of Mrs. Ann Gray. Third and fourth grade students participated.

Slides and charts were used to show what humans would find on the moon. There were talks and slides on the causes of tides, moon superstitions, craters, eclipses and motions of the moon.

The following children presented the program: Janice Smith, Susan Themoleas, Susan Chiappari, John Silvestri, Frank Miranda, Ronald LaRosa and Linda Peeler.

Primitive areas in National Forests aggregate 14,000,000 acres, scattered from North Carolina to the Pacific Coast.

'EDUCATIONAL METHODS'

Dr. Vinton Stratton Stirs Snell PTA Gathering With Excellent Talk

Speaking on the "food and fungus of education," Dr. Vinton Stratton, assistant superintendent in charge of education for Jefferson Elementary School district, told the members of James L. Snell PTA last Tuesday night that the schools can't do all the educating—"some of it must be done in the home through various work and share experiences."

Dr. Stratton elaborated on the courses offered in the elementary schools and mentioned various pilot projects being tried at some of the schools in the district. He spoke of the necessity of locating above-average students and offering them extra-curricular courses in the same manner that music and athletics is at the present time being offered to students so talented.

In concluding his "most informative" and educational speech, Dr. Stratton stressed, "we should not make value judgments on any educational methods until we have first studied all the other facts presented."

The flag ceremony was performed by Boy Scout Troop 259, sponsored by the Snell PTA unit, and a few words of appreciation for this support was given by Sam Logan, Scoutmaster.

In presenting art awards won by eleven 7th graders of Benjamin Franklin school in the Regional Scholastic Art Contest, Fred Sweickhardt, principal, also commended Mrs. Joanne Richards and Paris Simmons for their excellent instruction in the art and ceramics fields. Carol Frye and Jim Henderson were awarded the two top key awards, with nine other students being given certificates of merit.

Jerry Krawetz of Garden Village third grade asked for the support of all PTA members and friends in their endeavor to have Peter Hansen of Garden Village school elected "Teacher of the Year" in a contest being sponsored by a San Francisco newspaper.

Mrs. Fred Smith, president, conducted the nomination and election of officers for the James L. Snell PTA unit, whose home school will be Garden Village. The following officers were elected: president, Mrs. Kenneth Gillespie; vice president, Mrs. Ernest Hagerman; corresponding secretary, Mrs. Phillip Glebow; recording secretary, Mrs. Larry Anderson; historian, Mrs. Kenneth Brugge; financial secretary, Mrs. Warren Vocke; parliamentarian, John Belforte, and honorary vice president, Miss Aileen Suber, principal.

Officers of the Benjamin Franklin PTA unit, which has recently been organized at the Benjamin Franklin school, were introduced as follows: president, Mrs. Roy Milam; vice president, Mrs. Jack Bertken; historian, Mrs. William Rice; treasurer, Mrs. Herbert Quandt; recording secretary, Mrs. Lynn Chapman; financial secretary, Mrs. Romo Cuniberti; corresponding secretary, Mrs. Martin Orloff; auditor, Martin Orloff, and honorary vice president, Fred Sweickhardt, principal.

Refreshments were served by the third grade room mothers of Garden Village school.

HILLSIDE PTA WILL INSTALL

Hillside PTA executive board will hold its annual installation dinner at Val's Redwood room on Thursday, April 10.

Don Lesher, newly-elected president, and Mrs. Ruth Huelse, outgoing president, will be honored guests. Others attending will include incoming and outgoing officers and chairmen of Hillside PTA, Dr. B. W. Gerdes, principal of Colma intermediate; Mrs. Louise Bostwick, principal of Vista Grande; Mrs. Hazel Colwell, vice-principal of Vista Grande, and Mrs. Eleanor Zenovich, principal of Colma primary.

Arrangements are being made by Mrs. Connie Chauvin, hospitality committee chairman.

YWCA To Offer Mosaics Class For DC Adults

Making mosaics as a craft is intriguing men as well as women. So the YWCA is opening a class in mosaics to both men and women starting Monday evening, April 7, at the War Memorial building in Daly City. Tom Stevens, artist and teacher, will show students how to use natural materials as well as tiles in their own designs and compositions.

Other YWCA classes open to men as well as women in the North San Mateo County area are Watercolor, Modern Dance, and Dog Obedience Training.

The watercolor class, also taught by Stevens, is for beginning artists and it will include the study of form, color, shading and depth. This class meets on Thursday evenings at the same time and place as the mosaics class.

A new course in Modern Dance will open soon under the direction of Mrs. Maxine Sheets. A talented dancer, Mrs. Sheets has a masters degree in dance and was a former instructor at U.C.L.A. and Michigan State University.

Each dog works with his own dog in the Dog Obedience Training class, which starts a new series April 7, on Monday evenings from 7 to 8 p.m. in Westlake Park. Fred M. Wills Jr., a professional dog trainer, will teach the owner of each dog how to handle him, to teach him the basic commands of heel, sit, and stay.

These classes are open to all men and women. Participants are required to join the YWCA.

Since the beginning of World war II, 100,000 persons have been given training in first aid by the San Francisco Red Cross Chapter.

Civil Defense Classes Awaited By Pocahontas

North County members of the Improved Order of Redmen and the Degree of Pocahontas are planning to attend the civilian defense training course sponsored by the San Francisco General Committee of the I.O. R.M. and D. of P. The series will start next Monday and will continue on the fourth Monday of each month at the Druids Temple, 44 Page street, at 7:30 p.m.

Each class will consist of a film and lecture on various branches of civil defense. The first will cover air defense: warning, evacuation, shelter, warden operations and responsibilities of citizens. The training will last four months, ending June 23.

In charge of training will be Inspector William Osterloh of the S. F. Police Department and A. G. Cook, USN (Ret.) who is director of the San Francisco civilian defence program. All members of the I.O. R.M. and the D. of P .are invited to attend these classes.

This will be the first attempt by a fraternal organization to give these classes and the Civilian Defense Council hopes to start a trend.

Brisbane Hosts 2nd 'Alliance' Meet April 28

Next meeting for formation of an alliance of property owner organizations in north San Mateo county is scheduled for April 28, 7:30 p.m., at Natalie Lipman school in Brisbane.

David H. With, originator of the idea and president of Brisbane Homeowners Association, invites officers of all local property owner organizations.

With repeated that the proposed alliance "is not intended to usurp the responsibilities and authorities of governmental agencies." Rather, he said, it would be a means for providing greater scope for cooperative effort on mutual problems and needs.

Two of the alliance's proposed projects include an area arts and crafts workshop contest and an area improvement contest.

With can be contacted for additional information at DE 3-5870.

29 Students Will Be Confirmed In Lutheran Service

Twenty-nine junior high school students will be confirmed in the 11 a.m. service on Palm Sunday at West Portal Lutheran Church. A reunion service for all who have been confirmed as juniors during the congregation's 15-year history will begin at 7:30 p.m. A special Palm Sunday service will be held at 8:30 a.m.

The Rev. A. H. Haake, pastor of the church, will preach in both morning services and perform the rite of confirmation in the 11 o'clock service. His topic will be "Where Art Thou?" West Portal Lutheran Choir, directed by Vern Liermann, will sing Bach's setting of "All Glory, Laud, and Honor." Choir, confirmands, and congregation will all participate in the singing of "A Confirmation Blessing," by Christopher Wordsworth. Vicar Graeme M. Rosenau will officiate.

Chaplain (Col.) Herman Heuer, Headquarters Sixth Army, will speak in the 7:30 p.m. reunion service. His topic: "The Joy of Walking in Truth." The choir will provide special music. This service is one of several events commemorating the 15th anniversary of the West Portal Lutheran congregation.

The Masonic Hall at Mendocino is adorned by a statue group cut from a single block of redwood.

Scallop shells vary from dime-size to large ones six inches across.

Shopping with Sally

SEARCH LIGHTS . . . new stores opening . . . other buildings going up . . . the Southgate Shopping area in Westlake is really humming with activity these days. Smart new stores with ample parking space are proving a great attraction for shoppers from all over the area.

One of the newest additions to Southgate is HUNT'S QUALITY DONUTS. On opening day a grand total of 7,500 people stopped in to partake of the free donuts, coffee, coke and orange drink. In fact it took 11,640 donuts to curb the demand for HUNT'S Exclusive Quality Donuts. Managed by Stan Jones, the new shop is located near the Westlake Post Office.

Busy merchants on Southgate are Peggy and Cliff Terry, proprietors of the Daly City Hobby Shop. Whatever your hobby, you'll find it in their store . . . shelves filled with models of all kinds . . . ceramics . . . number painting . . . train equipment . . . an ideal place to shop for birthday gifts.

Welcome too . . . to Southgate is the beautiful new SAI-WU GARDEN featuring delicious Chinese foods. With original water colors on the walls . . . beautiful oriental gardens . . . a pool filled with brilliant colored goldfish, we found SAI-WU GARDEN one of the most charming and artistic places we have ever been in. Do stop by for superb food in the most exotic surroundings!

When we stopped in to see Manager George Schaberow of FULLER PAINT & GLASS we found him unpacking cunning stuffed bunny rabbits . . . gaily dressed in smart checked pants . . . 22 inches in height . . . a perfect gift for your small fry. Truly in the spirit of the Easter season, these gay little fellows are being given away with any purchase of $5.00 or more. Stock is limited so hurry to Southgate to select yours.

Speaking of getting into the spirit of the season, we all know for Easter a smart hair fashion is a must. For you whose time is limited ALTHEA'S HAIR FASHIONS on Southgate has recently installed a "Tropical Vaporizer" (one of the few in Northern California). For you it means beautiful blond hair in a matter of minutes instead of hours . . . and color baths for any shade of hair are far more effective and quicker.

Should you have a flat tire on your way down to Southgate, and have to call Southgate's RICHFIELD STATION, service truck, don't be surprised if you don't recognize the truck. Those bright red signs on the car is owner Michael De Bernardi's "gentle" reminder of his candidacy for Daly City Councilman.

In our shopping tour of Southgate we stopped by the STAUFFER SALON for a quick cup of coffee with figure consultant Mayre Nurmi. She wants us to remind you that she is anxious to talk over any figure problems you might have . . . and remember there are no contracts to sign, and the first treatment including a figure analysis is absolutely free.

One of the pioneer businesses on Southgate is the MERCANTILE ACCEPTANCE COMPANY which specializes in automobile and household insurance as well as loans. Manager C. E. Stevens told us that his company was established on Southgate in 1956.

Another busy merchant on Southgate is SOUTHGATE THRIFTY CLEANER, which is well equipped to take care of any cleaning problems you might have. Remember Easter is almost here. So your family's wardrobe will be sparkling fresh for that important day, don't forget to take your cleaning in today.

Speaking of Easter we hope you haven't neglected Dad's wardrobe. MOSHER'S SHOES haven't forgotten him and are featuring just for Dad a complete line of good-looking Florsheim shoes from $18.95 and up and Rand shoes from $9.95 to $16.95.

We hope you are taking advantage of WESTLAKE MUSIC CENTER'S inventory clearance sale. We stopped by to say hello to Manager Barbara Palange and found some wonderful buys in LP albums ,formerly $4.98, now $3.98 . . . and $3.98 albums now $2.98, fair trade items excepted. Also the popular "Music Man" album regularly $5.95 is on sale for $3.99.

Accessories are such an important part of any wardrobe and MISS-TEEN SHOP has a fine selection of beautiful handbags and gloves that are completely right for Easter. While there do look at the beautiful millinery creations. Owner Sue Scott has a talent for selecting fashions that are unusual and distinctive.

Service is an extremely important part of any business. SUNSET-PARK MERCED HEARING CENTER should rate a gold star in this department, because the center has been serving this area for ten years. SUNSET-PARK MERCED HEARING CENTER is located at 2676 Ocean avenue.

WESTLAKE LUTHERANS TO DEDICATE NEW CHURCH ON SUNDAY, APRIL 13

Westlake Lutheran congregation is thrilled to announce services in their beautiful new church building, located at Avalon drive and Westmoor avenue in Westlake Heights. After spending a year and a half in the Broadmoor Community Center, the new and growing congregation is now in a position to greatly enlarge its entire program to meet the spiritual needs of people in the area.

The edifice has been designed by Architect Roger Lee of Berkeley, and was built by G. J. Elkington & Sons of Sausalito. Memmbers of the congregation, headed by building committee chairman John Yambert, have done all the painting, and this week will lay all the floor tile to complete the work on the new building.

The many Saturday "work bees" have given an opportunity for real fellowship among members and friends. The men, women and children of the congregation have given unreservedly of their time and efforts to make the new church a reality. The remarkable fact is that this new congregation (organized January 13, 1957) is so soon able to occupy a new building. The new church will be dedicated at a formal service Sunday, April 13 at 3:30 p.m., with Dr. Gaylerd Falde, president of the California District of the Evangelical Lutheran church, officiating. The public is invited.

NEIGHBORHOOD MEETS

Daly City-Colma Area Churches Aid 'Billy Graham Crusade' Plans

The United Prayer Program for the Billy Graham Crusade of April 27 to June 8 at the Cow Palace begins in Bay Area cities in thousands of neighborhood homes on Tuesday, April 1, 10 to 10:45 a.m., Tuesdays through Fridays, for two months.

A fifteen-minute radio presentation by the Graham Team over KGO will be broadcast at 10 a.m. to begin the prayer groups.

A number of the church congregations in the Daly City-Colma area are participating by sponsoring neighborhood home prayer meetings to which everyone, churched or unchurched are invited. These are not dress-up affairs and refreshments are not served. Prayer leaders have been secured and trained. Other leaders will be developed and other homes opened as the program continues.

Mrs. Lithgo and Mrs. Berven are captain and co-captain of the Daly City-Westlake area. Mrs. McClure and Mrs. Schroder are captain and co-captain of the Colma-Broadmoor area. Mrs. Smail is the area director.

Broadmoor Presbyterian church announces prayer meetings it is sponsoring to begin at the homes of the following leaders, Tuesdays: Mrs. John Dennis, 262 Railroad avenue; Mrs. Kenneth Gillespie, 1067 Gilman drive; Mrs. James Nourse, 86 Montrose avenue. Lake Merced-Westlake

LOCAL SCOUTS EYE BUSY SPRING WITH BIG DINNER, 'SCOUT-O-RAMA'

Lake Merced-Westlake area Scouting activities for the spring go into peak activity this week with the announcement by Judge Frank Blum, acting district chairman, of plans for the annual Scouters' Appreciation Dinner, the "Scout-O-Rama" at the Cow Palace, and the all-out ticket sales for the show.

First event for the area's Cubs, Boy Scouts and Explorers will be the Scout-O-Rama ticket sales, beginning this Friday, at 6:30 p.m. Recognized by Scouters and their friends as the major fund-raising effort that supports the youth movement, the sales spree will begin when unit tickets chairmen pick up their sales kits and tickets (for Lake Merced area at 40 Stonestown; for Daly City at J. C. Penney, 70 Westlake Court). Unit distribution of books of the Scout-O-Rama admissions will be made as soon as practical, and doorbell-ringing by enthusiastic Scouts in uniform should follow in succeeding weeks.

Plans for the big annual show that will fill the Cow Palace on Friday and Saturday, April 18-19, are shaping rapidly with most Packs, Troops, and Explorer Posts of the area planning to participate. James Garner, star of TV's "Maverick," will appear in person as a feature attraction to augment booth-type demonstrations by Scouts.

Judge Blum announced that Russell Hanley will serve as chairman of the Appreciation Dinner to be held for the first time in the Westmoor High School cafeteria in Westlake, at 6:30 p.m. Friday, April 29. This event, a potluck supper to be prepared by each Scouting unit separately, will pay tribute to the many Cubmasters, Den Mothers, Scoutmasters, Explorer Leaders and all volunteers who serve to enable boys to grow up better able to serve God and Country.

A $7,000,000 Mistake Could Happen Here

THE PROPOSED ALEMANY FREEWAY WOULD REMOVE $7,000,000 FROM THE CITY'S TAX ROLLS

The proposed freeway over Alemany boulevard must be vigorously opposed by every individual and group in Daly City. The freeway must, instead, be routed to skirt the boundaries of Daly City. The Alemany plan would create a ruinous blight on the city, remove some 176 homes and many businesses from the city and cut assessed valuation by approximately $7,000,000. As a city councilman, Micheal De Bernardi has been a dedicated opponent of the state's freeway plans in Daly City and has the insight and ability to successfully defeat the proposals.

The program consists of colored slides to be shown by Shirl Mollette, charter member of the club. A general discussion of plants and flowers will be held. The public is invited to attend.

Chairman Appleton Leaves Town .... For Latin Siesta

Lawyer Hartley Appleton, chairman of Jefferson Elementary school board, is en route to a month-long vacation in South America with his wife.

The attorney, who lives at 1 El Portal way, Westlake, was granted permission for the absence by fellow trustees. A state education law requires board approval for out-of-country trips.

The Appletons are due back in the United States in mid-April, to attend the National School Boards Association convention, April 17 and 18 in Miami, Florida.

Trustees Mrs. Katherine Mullen, Mrs. Doris Wimberly and Joseph Lewkowitz also plan to attend the Miami conclave.

Mrs. Wimberly is board chairman pro-tem during Appleton's absence.

HIGH SCHOOLERS VISIT SF PAPER, MEET HERB CAEN

Fulfilling their desire to see a metropolitan newspaper "in action" and to learn more about the history of California newspapers, Westmoor High School's journalism class visited the SF Chronicle and Society of California Pioneers.

Meeting columnist Herb Caen was one of the highlights of the trip. Another interesting incident was watching two photographers rush to meet the 4 o'clock deadline on a story that "broke" at 3 o'clock. Both incidents, combined with the tour of the building from editorial offices to composing room, gave the students a feeling of the tremendous task involved in putting out a daily newspaper.

Old California newspapers dating back to 1874 and featuring such things as advertisements on the front page intrigued the students who had learned that in school newspapers ads never appear on the first or second page. Inflationary situations in California were revealed through 1853 ads giving the price of eggs as $2.50 per dozen.

Journalists making this trip were: Lynda Anderson, Lynda Bumgarner, Bill Bennett, Susan Del Surto, Leone Donoven, John Forcina, Priscilla Hardy, Julie Huculak, Marilyn Hunt, Sharon Hunt, Rich Hurley, Liz Kenble, Judy Klemens, John Larsen, Ron Larsen, Linda Logan, Irene Mann, Maureen McGrew, George Petroffsky, Jane Streiff, Virginia Wilborn and Bonnie Williams. Mrs. Doris Lindfors accompanied the group.

Rat Experiment Aids Villagers In Health Study

Students in Aileen Schriefer's fifth grade at Garden Village School are learning the importance of vitamins and minerals to good health.

To supplement their reading ind discussions, the class is conducting a rat-feeding experiment to further emphasize the importance of proper foods. Two white rats are being used in the experiment. Rat X-1 is receiving a diet of bread and milk, rat X-2 a diet of bread.

Since the beginning of the experiment, rat X-1 has gained ½ ounce in weight, while rat X-2 has shown no increase. Rat X-1 is healthy and alert, but rat X-2 is thinner, has less hair, and tires quickly.

The children take turns weighing and feeding the rats and in filling out daily record charts on progress of the animals.

The first sugar beet processing plant in the United States was established at Alvarado, Alameda County, in 1871.

CONSTRUCTION BEGINS ON NEW PACIFICA CHURCH

Work on the first church building of Holy Cross Lutheran Church on Seville drive in Linda Mar began last week. Construction of the house-chapel building is expected to take about four to six weeks, according to Pastor Edgar A. Doering.

Contract for the construction has been given to Oddstad Homes, Inc., with some of the work to be done by members of the congregation. This is to be a temporary home for the congregation, planned to be used for three-to-five years when a permanent church building would be erected on a large lot across the street. When the need for it for church purposes has passed, the building will be converted into a house and used as a house.

Funds for the building have been advanced by the Board of American Missions of the United Lutheran Church in America and through commercial sources. These loans will be paid from the free-will gifts of the members and friends of the congregation.

Holy Cross Lutheran Church does not conduct any commercial-type fund-raising projects, believing that the only scriptural method is free-will giving. Next month a Building and Lot Fund canvas will be made in the congregation to raise at least $5000 in the next year for this purpose.

Holy Cross Lutheran is now 18-months-old, having been organized on September 23, 1956. It now has over 100 adult members, with a Sunday School of over 125 children. Services are now held in Pedro Valley School.

BARBER SHOP VOCAL GROUPS WANT MEMBERS

San Francisco Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America continues its spring schedule with a busy membership drive.

Latest performance of the Chapter was for patients at Laguna Honda Home, where the singers rendered "old fashioned" numbers for oldsters.

The chapter, which holds regular meetings at Lakeshore Plaza, 34th and Sloat boulevard, invites Daly City-Colma area residents to the Wednesday night get-togethers. The meetings start at 8 p.m., and more singers are needed.

Mrs. Harry Smith Awarded By PTA

Linda Mar PTA recently presented its highest award, an honorable life membership, to its first and current president, Mrs. Harry Smith.

The Honorary Life Membership is a PTA award which provides help for prospective teachers through the California Congress Fellowship and Loan Fund. In Mrs. Smith's name, Linda Mar PTA will send a $25 gift to the fund.

Mrs. George Mason presented the award.

Mrs. Smith, mother of three children, has lived in the Pacifica area for more than eight years. The Smiths were one of the first families to move to Linda Mar four years ago. Her husband also has been active in civic affairs.

Members of the committee which selected Mrs. Smith were Mrs. Waterman, chairman; Mrs. Walter Langoschi, Mrs. Joseph Fulford, Mrs. Inga Probst, and Mrs. Mason.

Dr. Earl S. Herald Of Westlake Earns History Award For KRON-TV

With program and public service directors from most of the television stations in the nation in attendance, as well as network public affairs directors, the Westinghouse Annual Conference on Public Service Programs recently was concluded in Baltimore.

One of three Westinghouse History awards presented at the conference was awarded to KRON-TV and "Science in Action," which stars as program host, Dr. Earl S. Herald of Westlake. The award was in recognition of the telecast "Sir Francis Drake in California," shown over "Science in Action" last December.

Participating in the science panel discussion at the conference was Benjamin Draper, executive producer of "Science in Action" and "Explorers of Tomorrow." Film clips from the history program featuring Dr. Herald were shown before the group as was one of the programs in the "Explorers of Tomorrow" series. The "Explorer" program selected was the one featuring Dr. Robert T. Orr, USF biologist, as science interpreter, and his student demonstrator, Ron Baker, a student at Garden Village school here.

Executive Produced Draper reported that the conference was acutely aware of the need of more science programs, particularly on the elementary grade level. "Explorers of Tomorrow" is beamed at intermediate school students, and each week features guest scientists and students from the schools around the bay area.

St. Martin's Episcopals To Open New Church With Easter Services

Easter Sunday will truly be a day of joy for members of St. Martin's Episcopal church in Daly City because it will be the first Sunday when services will be held in the new church, located on the corner of Southgate and Bradley drive in Westlake.

The Easter services will include Holy Communion at 8 a.m., morning prayer and family worship at 9:30 a.m. when children will place flowers in a large white cross, and Holy Communion and sermon at 11 a.m. Text of the sermon for Easter Sunday, delivered by the Rev. Allen J. Downey, will be "The Fullness of Life." The choir, under the direction of Joy Hindman, will sing "O Sing Unto the Lord," by Hans Lec Hassler, accompanied by Richard Verney, organist.

On Easter afternoon, dedication services for the new church will be held at 4 p.m., with the Rt. Rev. Karl Morgan Block, Bishop of California, officiating.

Prior to Easter on Good Friday, three-hour watch services beginning at 12 noon will be held in Westlake Auditorium, 333 Park Plaza drive. Organ music wil lbe played by regular organist Verney, and guest organist George Ritter. A special invitation is extended to all members of the community to attend this service.

3 New DC PTA Units In Debut At CCPT Confab

Daly City contributed three of the eight new PTA units that were introduced at the 31st annual convention of the 17th District California Congress of Parents and Teachers held at San Mateo High school last Thursday.

The local units represented were Westmoor High, president, Mrs. Howard Dunbar; Benjamin Franklin, president, Mrs. Roy Milam, and Vista Mar, president, Mrs. Robert St. Clair.

Attending this convention were five James L. Snell PTA officers: Mrs. Fred Smith, president; Mrs. Walter Erickson, vice president; Mrs. Robert St. Clair, treasurer, and Mrs. Kenneth Gillespie and Mrs. Clifford Warner, inside publicity chairmen.

Lutherans Tell Good Friday, Easter Services

Good Friday services for the convenience of the downtown office workers will again be conducted at the Curran Theater, Geary near Mason street, from 1 to 2 p.m.

Speaker will be the Rev. Martin Wyneken, pastor of the First Lutheran Church, South San Francisco. Liturgist will be the Rev. Lester Zeitler, pastor of Our Savior Lutheran Church of Sharp Park.

Eighth annual Easter Sunrise service will be held at the El Rancho Drive-In Theater at 6:15 on Easter morning.

Speaker at the early-morning worship will be Col. Herman Heuer, commanding chaplain of the U. S. Army in the Sixth Area, headquarters at Presidio of San Francisco.

These special services are sponsored annually by the Lutheran Inter-Church Council, an organization of representatives from all Missouri Synod Lutheran churches in the San Francisco area.

Dennis, St. Clair Win County Labor League Backing

Edward J. Dennis, 48, and Robert "Bob" St. Clair, 27, last week won the San Mateo County Labor League for Political Education endorsement as candidates for city council here at the polls April 8.

Dennis, 156 Mateo avenue, has previously served two terms on the Daly City council. He's president of Milk Drivers' Union Local 226, and has been for 12 years.

St. Clair, 76 Ocean Grove, Westlake, is a sales representative and captain of the San Francisco 49ers.

The labor league on March 17 endorsed 16 candidates for council duty in nine county cities.

Getting the L.L.P.E. endorsement in Pacifica was Thomas M. Lane.

'FIGHT CANCER WITH CHECKUP' THEME IN S.F.

"Fight cancer with a checkup" will be the rallying cry of the American Cancer Society's April Cancer Crusade in San Francisco, it was announced this week.

The slogan has been chosen because it expresses in the fewest possible words the main educational objective of the Crusade—to impress upon the public the importance of regular health checkups as a precaution against cancer.

Mrs. Randolph Sevier, chairman of the education committee of the Society's San Francisco branch, explained that regular health checkups offer the best protection against cancer, the number two disease killer in the United States.

Max Planck, German physics professor, is the father of the ntum theory, foundation of ic physics.

Speaker Doane Of Westmoor Is Lions' Winner

Bob Doane, senior at Westmoor High, won first place in the Lions Club annual speech contest for North Peninsula District. Bob's topic was "Importance of Education to Community, State, Nation and World in the Creation of Better Community Servants."

Competing against Jefferson, South City and Brisbane on March 13, Bob emerged victor and will now represent this region in the Peninsula competition at Green Hills Country Club in Millbrae, April 3. The Northern California competition will be at Hoberg's in May.

Mary Ann Holden, speech teacher, received a plaque for coaching the speech. Bob has also received a trophy for his prize-winning effort.

DAD SPINETTI JOINS FAMILY AS GIRL SCOUT

Think Girl Scouting is just for girls?

Joe Spinetti, husband of Anita Spinetti, Girl Scout Chairman of the Junior High Inter-Troop program, and father of daughters at three different levels of Girl Scouting, plus a near-future prospect, has joined the ranks of the Girl Scouts.

He is now a full-fledged "Girl Scout" and anxious to do his part for his family and for the community.

Other fathers are also joining the Girl Scouts because they want to help their daughters, too. It's wisdom for a family to work in unison. Unity of purpose can bring about strength in ideals.

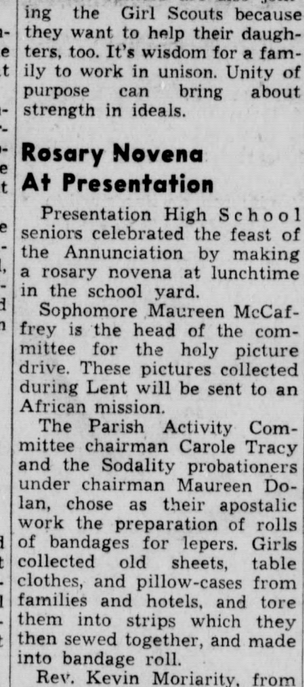
Rosary Novena At Presentation

Presentation High School seniors celebrated the feast of the Annunciation by making a rosary novena at lunchtime in the school yard.

Sophomore Maureen McCaffrey is the head of the committee for the holy picture drive. These pictures collected during Lent will be sent to an African mission.

The Parish Activity Committee chairman Carole Tracy and the Sodality probationers under chairman Maureen Dolan, chose as their apostalic work the preparation of rolls of bandages for lepers. Girls collected old sheets, table clothes, and pillow-cases from families and hotels, and tore them into strips which they then sewed together, and made into bandage roll.

Rev. Kevin Moriarity, from the archdiocessan office of the Propagation of the Faith, showed a film and gave a talk on the missions in Africa at the recent freshmen assembly.



THREE-year-old Monica is one of the hundreds of crippled children dependent on voluntary contributions offered during the current Easter Seal fund appeal. County residents were urged this week to support the local Easter Seal drive which to date has raised only a third of its $55,000 goal.

ONE OF the youngest deep-water tanker skippers afloat is Daly City's Henry Steele (inset), 32-year-old son of Mr. and Mrs. John I. Steele, 475 Winchester street. His ship, the SS Trojan (above) docks at Portland to pick up U.S. grain for India. It then takes oil from the Persian Gulf area to the Far East before returning to this country for grain. The young captain has been with the maritime service since the age of 17. He was quite a football player for Jeff High in the early 19-40's.

Jeff Seeks Tournament Title 'Repeat'

THEN TO SOUTH CITY

Tribe Face Hillsdale In Friday Inaugural

By Roy Hurlbert

Anxious for combat, Jefferson High's varsity nine move to San Mateo this Friday afternoon to pop the Peninsula League cork against Hillsdale's Knights.

Southpaw Jim Wilson will toe the hill for the Daly City team, which next week is among the favorites in the Third Annual South San Francisco Invitational tourney.

Coach Steve Mezzera's Indians were rained out against Capuchino last Friday, and again Tuesday at Westmoor.

Defending SSF tourney champ, Jefferson will have to beat loaded St. Ignatius, Cap and South City to repeat as kings in the Easter Week affair.

The Indians open Tuesday against Serra, then on Thursday meet either the winner or loser of the Cap-San Mateo game. Finals are Saturday. The Tourney games will be at Orange park, South City, and Memorial Park, San Bruno.

Other teams entered are Hillsdale and Poly.

Sacred Heart won the '56 tourney, and Mezzera's kids romped to the '57 championship.

The Jeff skipper won't use injured ace Paul Tapia next week—unless he has to—since the fastballer is nursing a bad knee. Outfielders Gary Ryan and Barrie Haanen will handle mound chores along with Wilson.

Mezzera's lineup to date lists an infield of Roy Reitz, Ino Patron, Wayne Lewis and Bud Callaghan; Ryan, Haanen and Wilson in the outfield, and Jerry Kennedy as catcher.

Makeup game with Capuchino is scheduled April 8. Jeff and the Mustangs, and possibly South City, are strong PL title choices.

Accidents can happen to anyone, but do happen less often to the Red Cross trained first-aider.

Ram Horsehiders Battle Mateans In Loop Opener

Westmoor's varsity baseballers intend to open the Peninsula League season this Friday in Daly City against San Mateo High. Righthander Dave Simons will hurl for the Rams of Coach Rod Losberger, with 3:15 p.m. the starting time.

Last Friday's opener with Hillsdale was washed away, as was Tuesday's tilt with crosstown Jefferson.

Outfielder Rich Hottal, leading Ram batter with a .340 practice game average, leads lone Westmorite sticking over lone eWstmorite sticking over .300 in nine exhibition games.

Losberger's best pitcher, Coastsider Ray West, is out for two weeks, victim of a leg blood infection requiring hospitalization.

The Ram mound staff includes Bob Goodwin, Phil Fair and lefty Bill Fosbery.

Easter Week the Daly City preps are idle. Thereafter, they have six straight road games against league foes.

Soccer Rained Out

The Department of Parks and Recreation postponed all scheduled Elementary Soccer League games Saturday due to dripping skies. The booters will resume action this weekend, they hope.

RELAYS FOLLOW

Jeff Thinclads Host Blingum This Friday

Their scheduled league opener washed out last week at Capuchino, Coach Bob Watt's Jeff High track Indians plan to host Burlingame's thinclads here this Friday in dual meet action.

Next Tuesday, Watt will escort eight of his best varsity performers to Stanford stadium for a triangular affair, pitting the Peninsula League and South PL squads against each other and the Stanford Frosh.

Representing Jeff in the Easter Week feature will be sprinter Sonny Martinez, 100 and 220; quarter-milers Len Lamendola and Ted Sailor (mile relay), half-milers Felix Valdez and Al Davila, miler Don Snider, high-jumper Dennis Marc, and vaulter Mike Pechian.

Each member of the Jeff traveling unit is considered among the best in the Peninsula League this season, giving Watt a strong bid for the varsity dual meet title. But the Indians are weak in the shot and discus.

Following next Tuesday's affair, Watt and company return to the same site on Saturday, April 5, for the Palo Alto Invitational Relays.

Soph Don Staff Hurls No-Hitter Over Westmoor

Soph Don Staff's seven-inning, no-hit pitching zoomed the Jeff High Frosh-Sophs to a 6-0 triumph over Westmoor here Tuesday.

The 15-year-old righthander fanned seven Rams in registering the win. Ed Crowley was his batterymate.

Jeff banged 11 hits and took advantage of four Westmoor errors.

The game opened Peninsula League play for both teams.

San Pedro Nine To 'Try' Again

Ranied out two weeks in a row, Coach George Benson will try anew this Sunday at noon when he calls another tryout session for his San Pedro Lunch midget baseball nine.

Boys under 12 years are eligible for the team, sponsored by Gus Sebastiani.

Benson can be contacted at PL 5-8303.

Pacifica Studies

The Recreation Fact-Finding Committee, appointed by Mayor Jean Fassler of Pacifica, under the leadership of Albert Spore, has met and discussed recreational needs of the Coast community.

A survey will be conducted by the program planning class of San Francisco State College, under direct supervision of Mrs. Helen Glyer, instructor. This survey is a part of the Program Planning Workshop, a three-unit course offered by the recreation department of the college to insure practical experience in the field of recreation. Gladys Snyder, a representative of the State Recreation Commission, will also act as a consultant during the survey.

All 22 students are presently employed as part-time and full-time leaders in the field of recreation.

Purpose of the survey is to determine the recreational needs and desires of Pacifica and the facilities, leadership and program in which to satisfy these needs.

The students will be circulating questionaires to citizens as an aid in determining a long-range recreation program.

The Canadian Province of British Columbia this year (1958) is celebrating its 100th anniversary.

CHARITY GRID GAME

Gary Ryan Named To Play In Prep Classic

Senior Gary Ryan, one of Jefferson High's greatest all-around athletes, has been named to the West Bay squad for the fourth annual 20-30 Club prep game, this August 23 at Kezar stadium.

Coaches and officials picked the 25-player West team in a meeting here Saturday night. Gary will be among seven Peninsula League gridders in the charity clash.

The West, coached by Capuchino's Paul Baldwin and Doug Scovil of Sacred Heart, will include eight boys from San Francisco, five from the South Peninsula League, and five from Santa Clara valley schools.

Last year, Jeff's Tom Cloutier and Bill Reidstra, end and guard, were on the West roster.

Ryan, a hot college prospect in baseball and basketball as well, has played consistently outstanding ball for Jeff teams.

Mike Orlich, Jefferson physical education director, is on the permanent staff of officials for the East-West classic.

RAM TRACKERS LIFT THE LID WITH WARRIORS

Ernie Ribera's Westmoor tracksters invade South San Francisco Friday afternoon for initial Peninsula League dual meet action.

The Rams — and all other loop squads—were idled last week by rain. Hillsdale was slated to test the locals last Friday.

Next outing for Westmoor will be the Palo Alto Relays at Stanford stadium, on Saturday, April 5. April 11 the Rams meet rival Jeff on the Indian oval.

JACK'S KEGLERS EDGE PUBSTERS TO TAKE LEAD

Jack's Inn took a one-game lead in DC-Colma Bowling League Tuesday night with a split decision over second place Vince & Fred.

Bill Flagg of the barmen rolled high series for the evening —a 629. Tony Cherolis of Joe's Nursery had high game, a 243.

Key matches next week pit V&F and Carmona Chemical, and Val's Redwood Room against Brisbane Market, the defending champs.

Bocci Is Chairman

COUNTY-WIDE COMMITTEE BATTLING 'FILTHY' LITERATURE GETS RESULTS

John Finigan, secretary of the San Mateo County Citizen's Committee for Better Reading Material, which is composed of six of the county's judges, the District Attorney, the Sheriff, and Mayor Price of San Bruno, stated today that the recent campaign against indecent literature and pornographic art met with "outstanding results."

Stores participating in some cities and towns have yet to receive their placards for their windows—signifying their cooperation—but in most cities the initial cleanup in finished.

About 90 to 95 percent of store owners and managers agreed to cooperate fully when they learned of the movement.

Judge Thomas L. Bocci Jr., chairman of the campaign, said, "This is not just a one-shot deal—we intend this to be a continuing operation, with store owners cooperating with citizens in keeping the bulk of the filth out of reach of our children. . . ."

Many stores such as Broadmoor Pharmacy, Anchor Drug in South San Francisco, Miller Drug Store, Burlingame Drug, Collins Pharmacy in San Mateo, and most stores in San Carlos are following the pattern and thus making it easier fo rthe volunteer workers of the Citizens Committee.

Mr. Andrew Sekara, chairman of the coastside area, has achieved 100% cooperation from stores in his area.

According to Assemblyman Louis Francis of the State Interim Committee on Indecent Literature and Pornographic Art, "the one common denominator of sex offenders is that they are avid fans of filthy books and pictures." A seemingly normal individual who continually devours this stuff can build up pent up emotions that some day, some how must explode itself loose — when that happens sometimes violence occurs.

Any store that has not yet received a window placard and wishes one in order to cooperate with the committee, should call Andrew Bergman, DI 4-2596.

Reichert Sets Seder Services At Temple Judea

Since the first Seder of Passover falls on Friday evening, April 4, regular Sabbath Services will be held at 11 a.m. Saturday morning, April 5, in the Temple House of Congregation Judea, 95 South Mayfair avenue.

There will be no service on Friday evening, April 4. A special service for this holiday season will be conducted by Rabbi Irving F. Reichert. Topic of his sermon will be "The Higher Implications of Liberty." The public is invited.

Religious School of Congregation Judea will observe the Passover Holiday this Sunday. Each class will conduct its own model Seder. Room mothers, under the supervision of Mrs. Charles Becker, will provide the Seder Plates and foods symbolic of the holiday.

On Saturday evening, April 5, the Sisterhood will again sponsor the Congregational Seder at the Concordia-Argonaut Club, Van Ness and Post street. A full-course traditional dinner will be served by the professional staff of the Concordia Club.

At regular Sabbath Services this Friday evening, Rabbi Reichert will speak on "What Is Reform Judaism" in honor of Isaac M. Wise. Mrs. Stanley Pollard will kindle the Sabbath Lights. Mr. and Mrs. Stanley Pollard will host the refreshments following the services in honor of the naming of their son, Bruce Allen.

Vet Five, Native Sons Pace Adult Basketball

Impressive wins Thursday night left the Veterans of Foreign Wars (Post 2600) and the Native Sons (Parlor 29) as unbeaten leaders in the Adult Basketball League at War Memorial building.

The VFW five, sparked by Max Anderson's 17 points and 12 by Ken Wegner, easily dumped Hunter's Point Super, 63-39.

The Native Sons overcame a 36-33 halftime deficit to take the torrid second contest from L. C. Smith, 62-57. Balding Bob Leibe and Floyd Glenn, ex-SF State stars, led the victory with 17 and 14 points.

Hunter's Point mainstays were Al Vidal and Malcomb McCormick, with 10 points each. Former Santa Clara Broncos Joe Greenbach and Don Mount tallied 16 apiece for the losers.

In Tuesday games last week, the SF Post Office hustlers disposed of Green Lantern, 60-51, and A&D Tavern rolled up 58-37 decision over Automotive Twins.

Walt Morgan, with 19 points, and Tom Overton, with 16, were high pointmakers for the SF mailmen. Bob Frugoli and Ken Stange hit 1[illegible] and 11, in that order, for the Lanternmen.

A&D's win was gunned by John Burton's 20 points, followed by Don Daniels with 14. Jim Sochor, another SF Stater, hit for 11 points and Bill Short 10 for the Automotive Twins.

LAW IN ACTION

OATHS

The stakes in life, liberty and property in our courts are high and call for solemnity.

You must take an oath before you may take the witness stand, for instance.

"You do solemnly swear (or affirm)," the clerk says, "that the evidence you are about to give in the issue now pending shall be the truth, the whole truth, and nothing but the truth, so help you God."

You reply: "Yes," or "I do."

Why the oath?

To impress a witness and to bind him to tell the truth upon penalty of perjury.

For a long time in England no one could testify in court unless he professed certain religious beliefs as to the nature of the after-life. The great John Stuart Mill waged war on this because, he said, a truthful disbeliever was the only one penalized. For the liar would claim the belief to get his day in court. This rewarding of liars, he claimed, was self-defeating.

In America may a witness take the oath some other way?

Yes, if the judge believes that you have a special way of taking a binding oath, the clerk may use it.

Suppose you cannot in good conscience take any oath at all? Then you may "solemnly affirm." To lie on the witness stand has the same legal effect as a false oath: You may face a perjury charge.

In the past California courts held that a lie would not be perjury unless made under oath. But now in a written statement a new California law allows you to make an unsworn written certification "under penalty of perjury." With certain exceptions you may use it anywhere the law permits or calls for written statements under oath. The certificate must say that the statement is made "under penalty of perjury."

Note: California lawyers offer this column so you may know about our laws.
